better together

The Bexley 0 to 19 Children's Public Health Service is provided by Bromley Healthcare, an award-winning social enterprise providing a wide range of community healthcare services to people of all ages in Bromley and its neighbouring boroughs.

We deliver range of nursing, medical and therapy services for adults and children. These include District Nursing, Health Visiting, Speech and Language Therapy, Physiotherapy and Occupational Therapy. 96% of our patients would recommend our services to their friends and family.

Tell us what you think

We want you to be happy with the service you receive from us, but we know that every so often something might go wrong. If you're unhappy with the care you receive or an element of our service, we want to hear from you.

Of course, we also want to hear from you if you're happy with the care you're receiving - it's good to be able to thank the team and let people know they're doing a good job, so if you have a compliment or congratulation, we'd like to hear from you.

If we are unable to resolve your concerns or you would like to take the matter further please contact us at the address below.
